

What does it mean to Claim Ownership of a listing?

Every listing on our site has an owner that controls its content and prominence. Owners can edit the information provided and maintain the look and feel of the listing. For event listings the owner can update the current details, the contact details, new images , video etc.

How to Claim Ownership of a listing?

- If you followed the submission process through [+ Submit Event](#) or [+Submit Listing](#) then you are already the listing owner.
- If however, you did not create the event or listing. If it was created by someone else you can initiate a claim of ownership directly from the listing page. See example, the bottom [Claim Ownership] is just below the Header Fields for the listing.
